Program

- Day 1** Individual arrival at Schopfernau and welcome by the mountain guide followed by dinner.
- Day 2** After a very hearty breakfast with regional produce from our own farming operation, the ski bus will take us to the Hochtannberg Pass where we will enter the freeride area after an avalanche transceiver/safety briefing. There are countless runs to choose from here. Your mountain guide will show you the most hidden descents and choose the most appropriate run depending on the conditions. There is also the possibility that we may go directly from Schopfernau to freeride on the Diedamskopf or to the Damüls/Mellau area.
