

Ski/Snowboard tours for beginners Andermatt

GET A TASTE OF THE TOURING WORLD! (CH) | 2 DAYS

Want to experience a pleasant ascent on touring skis, enjoy a well-deserved break at the summit and carve your own track in fresh powder snow? Discover the beauty of touring with the help of this course. You will take part in simple beginner tours, where you will be given valuable information regarding avalanches as well as tips on skiing and touring techniques.

This course is suitable for ski tourers and snowboarders.

- Content**
- Interpreting dangers using avalanche forecasts and applying this information on a planned tour, introduction to the 3 x 3 method
 - Ascents using skins
 - Tips for powder snow skiing so that descents become something to enjoy
 - Use of emergency equipment (avalanche transceiver, avalanche shovel, avalanche probe), rescue procedures
 - Learn how the avalanche airbag backpack functions

Destination Depending on your personal fitness levels, you will be able to take part in easy to moderate guided courses and tours e.g. a basic ski touring course, free touring in Andermatt or Davos

Program

Day 1

After the initial welcome and equipment handover you will begin your first tour. You will ascent using skins and in doing so learn the skills for touring ascents and later for descents. An introduction to using emergency equipment (avalanche transceiver, shovel, probe, airbag) will complement this exciting day.

Day 2

On day 2, there will be several appealing peaks to choose from. Together with the group, the mountain guide will select the destination, depending on conditions and the weather. Possible peaks are the Pazolastock 2,740 m, the Winterhorn 2,662 m and the Tälligrat 2,748 m. (Distance: 5-7 km. Duration: 2-4 hours. Ascent: approx. 700 vertical meters).
