

Ski touring technique basic course Furkapass

SKI TOURING ESSENTIALS FOR SKIERS AND SNOWBOARDERS (CH) | 3 DAYS

Have you completed a beginners' tour and now feel inspired to build up your knowledge on a course? Then the Ski Touring Technique Basic Course offers the perfect mix of theory and practice for a sound introduction to this amazing discipline. You will take part in training tours, which you will plan together with your group the evening before and then analyze on the go. Individual training and application of your learning are guaranteed!

This course is suitable for skiers and snowboarders.

Content	<ul style="list-style-type: none">• Track setting/safe behavior during ascent/descent• Ski techniques for ascent and descent• Introduction to tour planning• Interpreting dangers using avalanche forecasts and applying this information on a planned tour• Use of emergency equipment (avalanche transceiver, avalanche shovel, avalanche probe and avalanche airbag backpack)
Destination	You will be able to plan simple ski tours independently and carry these out in favorable conditions. Depending on your personal fitness level, you will be able to take part in simple to moderate ski tours, e.g. an advanced ski touring course or an alpine ski tour for beginners etc.
Technique	easy-moderate Piste: confident on skis; Powder snow: beginner experience necessary; Terrain: moderately steep, some steeper sections; Alpine technique (for ski touring): initial touring experience For snowboarders: confident traversing (frontside/backside), ability to ride flat areas using a sliding technique (ski poles)
Condition	easy-moderate Duration from 4 to 6 hours, up to approx.1,000 vertical meters, approx. 250 vertical meters per hour.
Meeting place	9.30 a.m. Mammot Store Andermatt / Imholz Sport, Furkastrasse 2, 6490 Andermatt (train arrival at 9.24 a.m.)
Departure	Approx. 4 p.m. from point of departure
Accommodation	Hotel Tiefenbach, Furkapass

Program

Day 1

Individual arrival at Realp. Welcome and distribution of rental equipment. The mountain guide will, of course, be on hand to provide tips and advice for packing your backpack. Any luggage that you don't need for touring will be transported by skidoo to the Hotel Tiefenbach. Once everything is packed, after a short introduction to specific touring equipment, you'll be ready to go. A pleasant climb to the Hotel Tiefenbach will provide an opportunity to learn how to glide uphill on your skis. (Distance: 4.5 km; Duration: 2 hours; Ascent: 600 vertical meters).

Day 2

You will take part in training tours within the area, which you will have planned the evening before in your group and will continue to discuss out on the terrain. The tour destinations will be selected depending on the weather and conditions. Possible summits are: Chli Bielenhorn 2,904 m, Klein Furkahorn 3,026 m, Stotziger Firsten 2,725 m round tour, Schafberg 2,591 m and further options. (Distance: 5-7 km; Duration: 4-6 hours; Ascent: 1,000 vertical meters).
